Dear Seema

It has been a pleasure to partner with Nayi Disha for initiatives under the MMTC PAMP CSR. We invited Nayi Disha to conceptualise and implement an After-School Program at the government run schools at Mewat, that MMTC PAMP was supporting. The plan was to run this program in classes of the Mewat Model Schools. However, Nayi Disha team reworked the strategy to ensure the impact of the pandemic was minimised and successfully worked with seven schools in Mewat district through on-line classes. The team demonstrated a lot of perseverance and commitment to ensure results. Their consistency and proactive approach to problem solving led to students showing significant improvement in their final exam results.

We wish Nayi Disha the very best in all their endeavours.

**Thanking You**
